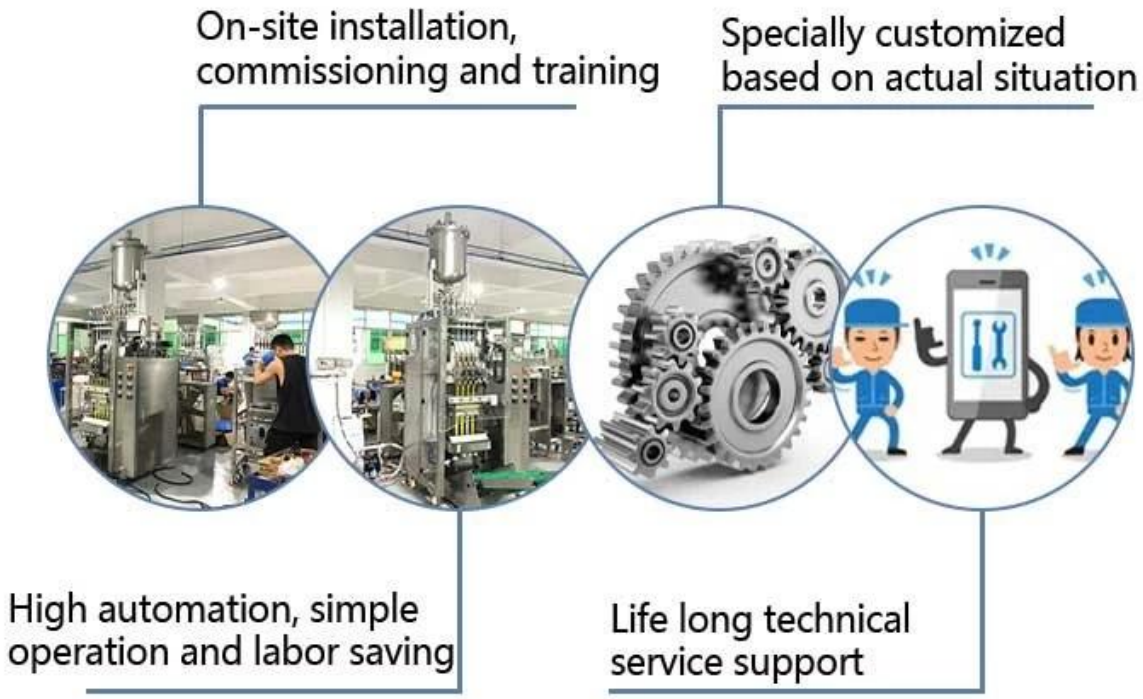
Our Advantage



Dession has a professional team to provide customers with various packaging solutions.
Fully understanding the needs of customers,engineers design the most suitable solution.
We have our own processing and assembly workshop and quality inspection and debugging process to ensure the quality of the machine.
After acceptance by the customer, they are packed in international standard woodencases and shipped.
If customers have any questions during the use of the machine, we will answer them in time.

1. With professional after-sales service team, we can provide you with a satisfied and technical service no matter which country you are in;
2. Any videos of packing machine installation, adjusting, setting, maintenance are available for any buyer;
3. If you got any problem when using the machine and the videos can not help, our technician

will have video chatting with you to fix your problem;

(Notice: In order to save your cost, we offer various video chatting service for you, but if you insist on the service oversea, the travel expense and technician cost will paid by you.)
