DETAIL

Automatic Bottle Unscramble machine

The machine consists of the Unscrambler plate of the bottle conveying track, which automatically arranges the bottles and the monorail into the host since the pipeline, storage, and buffering turn to the track on the conveyor.

Capping feeder

Working with a cap elevator, it is easier to pour bottle caps, and the machine will arrange caps orderly and supply them in time. This saves working labor and reduces production errors.

Capping machine

The machine is beautiful in shape, has a fast capping speed, and has a high pass applicable to different bottle-shaped caps for food, pharmaceutical, cosmetic, pesticide, and other industries.

Touchscreen control panel

The working parameter on the touchscreen control panel can be shown clearly in real-time. It is more convenient when debugging the machine. Different kinds of operation language can be customized to operation needs.

< CUSTOMER TESTIMONIALS >

True praise and good quality are all based on customer needs

Service praise

Great job done by Foshan Dession ... I want to thank you all for this nice experience ... the next to come is the best 🥰

Quality praise

Hi Christy

At the moment dont need help

we test it one time

it works

now waiting the bobbins

Quality praise

Ok. Thank you, we will inform you!!!

Thaaaaank you very much dear Alisa you are Super, perfect with your engineer 🙌🙌🙌🙌🙌🙌. Everything is ok.

77 roses for you from heart

Ok thanks. Am busy installing the last machine

2021

i did the installation today, perfect machine

Quality praise

Hesham 南非水烟机

So next ye

Okay good luck

All the best

Thank you

First you use the machine and any thing you need you can ask me

Thanks

Service praise

My pleasure , it's happy to get your good feedback on the machine

1 条未读信息

It's good And your service is excellent Your Boss must give increase

Quality praise

成 Neal 美国单工位预制袋混合沙

Hello Joe - the machine continues to run better every day. We're hoping that all the parts do not start to break with use.

If anything breaks (like the heating bar), can you send up replacement parts?
