Application

Customized products that
match your own

One machine meets the needs of various products, and products of different shapes can be customized

Product Advantages

- 1. Integrated Technology:** This machine seamlessly blends light, gas, and electricity components, resulting in a holistic and efficient packaging process.
- 2. PLC Operating System:** Driven by a PLC operating system, the equipment offers precise control, ensuring consistent and accurate packaging operations.
- 3. Versatile Carton Sizes:** With customizable carton size ranges, the machine accommodates various pen dimensions, adapting to specific packaging needs.
- 4. Diverse Material Compatibility:** The equipment efficiently packages strips or branches of materials, making it ideal for pens and various similar products.
- 5. Precise Counting:** The machine's advanced counting mechanism ensures accurate material counting, reducing errors and optimizing packaging efficiency.
- 6. Stable Packaging:** Benefitting from its innovative design and reliable components, the machine maintains stable packaging performance, minimizing disruptions and downtime.
- 7. Labor Optimization:** By automating the packaging process, the machine significantly reduces the need for manual labor, resulting in increased productivity and cost savings.

Product specification

Model:	DS-BZ040
carton size range:	A: L80-200 * W80-160 * H15-50mm B: L80-200 * W25-80 * H15-50mm (can be customized according to product)
Paper Requirements Scope:	300 g/m ² ≤ Best for paper:350 g/m ² ≤ 450 g/m ²
Paper requirements:	The indentation of the paper box is not less than 0.4mm, with a pre folding effect
Production capacity:	30-40 box/min
Total power:	1.5 KW
Equipment dimensions:	About L4265 * W1480 * H1545mm
Machine weight:	About 1.6T

Foshan Dession packaging machinery Co., Ltd. is located in Nanhai District, Foshan city, China machinery center, is a collection of research and development, manufacturing, sales and after-sales service in one of the high-tech enterprises, with self-import and export rights. DE newsletter focusing on production and research and development, all kinds of bag packaging machine, filling machine, and the research and development and manufacture of automatic packaging line
