

# Fully automatic biscuit packaging line egg roll cookies wafer biscuit cake feeding packing machine line

德迅 *Dession*®

< INTRODUCE >

Automatic packing line can carry out distance control, transportation and

positioning for products, automatically arrange the trays, and accurately load the products into the trays (desiccant or alcohol cotton chips, etc.) at the confluence for packaging. The front section can be connected to the production line to realize full-automatic packaging.

## < APPLICATION SCENARIOS >

## < MACHINE ADVANTAGES >

**Intelligent Dual-Frequency Control:** Efficiently configures bag length, speed, and cutting parameters, saving time and film.

**Fault Self-Diagnosis and Precision Cutting:** Clear fault display with a positioning stop function, preventing waste and ensuring precise cutting.

**High Throughput with Material Sorting:** Rapid adjustment for diverse product demands, with material sorting and packaging capacity ranging from 80 to 200 packages per minute.

**Automated Packaging Process:** Seamless box separation, product ordering, deoxidizer packet insertion, sorting, and packaging with no direct contact with food, meeting sanitation standards.

**Complete Machine Intelligent Control:** Real-time interactive operation via touch screen and embedded PLC, offering a convenient product menu function for quick adjustments.

Hesham 南非水烟机

So next ye

Okay good luck

All the best

Thank you

First you use the machine and any thing you need you can ask me

Thanks

**Service praise**

My pleasure , it's happy to get your good feedback on the machine

1 条未读信息

It's good And your service is excellent Your Boss must give increase

**Quality praise**

成 Neal 美国单工位预制袋混合沙

Hello Joe - the machine continues to run better every day. We're hoping that all the parts do not start to break with use.

If anything breaks (like the heating bar), can you send up replacement parts?
