

## Cat snack cat wet food liquid packaging machine China manufacturer

德迅 *Dession*®

[Detailed Images](#)

## Application

Products suitable for various liquids, can be customized

One machine meets the needs of various products, and products of different shapes can be customized

## Product Advantages

- 1. Enhanced Product Freshness:** The machine's efficient sealing and packaging process helps preserve the freshness and quality of liquid products, extending their shelf life and ensuring customer satisfaction.
- 2. Customizable Bag Types:** With the ability to create multiple bag types including pillow-shaped, perforated, and continuous bags, it adapts seamlessly to your specific packaging requirements.
- 3. User-Friendly Interface:** The intuitive color touch screen and imported PLC full computer control make operation straightforward, reducing the learning curve for operators and minimizing errors.
- 4. Accurate Color Code Sensor:** The imported color code sensor ensures precise positioning of bags, resulting in consistently aligned, professional-looking packaging that enhances product appeal.
- 5. Minimized Material Loss:** The machine employs automatic alarm protection functions to detect and rectify issues promptly, reducing material waste and optimizing production efficiency.

## Product specification

Model:	DS-200Y
Packaging speed:	60-120bags/min
Measuring range:	1-100ml
Bag size:	L:30-180mm W:15-100mm
Bag type:	3 side seal、4 side seal
Machine texture:	Stainless steel
Power:	220V.50-60HZ.1.2KW
Machine weight:	300Kg
Machine size:	(L)640x(W)700x(H)1580mm

Foshan Dession packaging machinery Co., Ltd. is located in Nanhai District, Foshan city, China machinery center, is a collection of research and development, manufacturing, sales and after-sales service in one of the high-tech enterprises, with self-import and export rights. DE newsletter focusing on production and research and development, all kinds of bag packaging machine, filling machine, and the research and development and manufacture of automatic packaging line
