< DETAIL >

Control Panel

It can be used right after booting, quickly set parameters, supports multiple languages, and is simple and convenient to operate.

Sealing wheel

It adopts a double sealing wheel design, made of chromium steel, with high hardness, rust-proof and durable, making the sealing effect more perfect and the sealing degree high.

Miniaturized design

It is suitable for small enterprises or family workshops, and is also an ideal equipment for proofing and backup of medium and large enterprises.

The can does not rotate

The tank does not rotate during the sealing process, and the sealing hob rotates to complete the sealing, which is reliable and safe and prevents materials from being thrown out.

< CUSTOMER TESTIMONIALS >

True praise and good quality are all based on customer needs

Service praise

Great job done by Foshan Dession ... I want to thank you all for this nice experience ... the next to come is the best 😊

Quality praise

Hi Christy

At the moment dont need help

we test it one time

it works

now waiting the bobbins

Quality praise

Ok. Thank you, we will inform you!!!

Thaaaaank you very much dear Alisa you are Super, perfect with your engineer 🙌🙌🙌🙌🙌. Everything is ok.

77 roses for you from heart

Quality praise

Ok thanks. Am busy installing the last machine

2021

i did the installation today, perfect machine

Service praise

My pleasure , it's happy to get your good feedback on the machine

It's good And your service is excellent Your Boss must give increase

Quality praise

成 Neel 美国单工位预制袋混合沙

Hello Joe - the machine continues to run better every day. We're hoping that all the parts do not start to break with use.

If anything breaks (like the heating bar), can you send up replacement parts?
