Our services

Our price

Foshan Dession packaging machinery co., Ltd mainly produces Packaging cushions machines and automatic packaging machines.

Equipment prices vary depending on the type of machinery (depends on the size and type client product properties.) and specific customer requirements for the machine (full or partial stainless steel hardware).

Moreover based on the brand's packaging machine basic components, the price will be different among China, Japan and Germany.

Finally the prices of standard and non-standard machines also differ. In the Standard machine, typically a fixed price but non-standard is based on Special requirements, such as the delivery method, a form of measurement, demand is inflating and deflating, style makes the bag way of stamping, as well as like coding etc.

Delivery:

After receipt of payment delivery date will be 15-30 working days

By air, sea or by Express (DHL, etc.)
