

## Automatic Continuous High-Speed Box Cartoning Machine For Toothpaste cartoning machine

德迅 *Dession*®

[Detailed Images](#)

1

**place for empty boxes**

Customizable, according to box  
size and dimensions

2

**Vacuum suction box**

Vacuum picks up the box with a  
quick turn and puts it in the trans-  
port belt

3

### **product push**

Automatic induction, boosting the product into the box

4

### **folding device**

Under high-speed operation, it can be folded automatically and quickly, and the production can be completed

### Product Advantages

**High-Speed Packaging:** The DS-GS150 operates at a remarkable production speed of 100-150 boxes per minute, ensuring rapid and efficient packaging, meeting the demands of high-output industries.

**Innovative Integration:** This machine seamlessly integrates light, gas, and electricity, resulting in a powerful packaging solution that optimizes efficiency, stability, and quality.

**Versatile Application:** Designed for daily chemical and pharmaceutical products, the DS-GS150 caters to a wide range of packaging needs, providing flexibility and adaptability to various industries.

**Streamlined Process:** The continuous box opening and pushing methods ensure smooth and stable packaging, minimizing downtime and maximizing output.

**Manpower Savings:** With its high-speed automation, the DS-GS150 significantly reduces the need for manual labor, contributing to cost savings and operational efficiency.

**Product specification**

Model:	DS-GS150
carton size range:	L 110–200 * W 30–70 * H 18–45mm (can be customized according to product)
Paper Requirements Scope:	300 g/m2 ≤ Best for paper:350 g/m2 ≤ 450 g/m2
Paper requirements:	The indentation of the paper box is not less than 0.4mm, with a pre folding effect
Production capacity:	100–150box/min
Total power:	3 KW
Equipment dimensions:	About L3950 * W1550 * H1730mm
Machine weight:	About 2T

**About us**

Foshan Dession packaging Machinery Co., Ltd. is located in China Machinery Center----Foshan Nanhai city, only takes 30 minutes to Guangzhou and 2 hours to Shenzhen/Hongkong. Dession is a comprehensive modern company integrating research , manufacturing and sale. It is a leading manufacturer of Rotary Packaging machine, Vertical Powder/Granule/Liquid Packaging machine, Automatic Feeding Line, flowing packing machine and supporting facilities, which has successfully

developed more than 80 kinds of packaging machines and related equipment and most of them has passed the CE Certification with European Standard.

## Our Customers •

# Contact us

## Our Advantage •

Dession has a professional team to provide customers with various packaging solutions. Fully understanding the needs of customers, engineers design the most suitable solution. We have our own processing and assembly workshop and quality inspection and debugging process to ensure the quality of the machine. After acceptance by the customer, they are packed in international standard woodencases and shipped. If customers have any questions during the use of the machine, we will answer them in time.

## AFTER-SALES SERVICE

1. With professional after-sales service team, we can provide you with a satisfied and technical service no matter which country you are in;
2. Any videos of packing machine installation, adjusting, setting, maintenance are available for any buyer;
3. If you got any problem when using the machine and the videos can not help, our technician will have video chatting with you to fix your problem;

(Notice: In order to save your cost, we offer various video chatting service for you, but if you insist on the service oversea, the travel expense and technician cost will paid by you.)
