

Automatic Disposable Syringe Flow Wrapping Packing Machine factory

德迅 *Dession*[®]

< **INTRODUCE** >

The Syringe Flow Wrapping Packing Machine, Model DS-350X, is a

cutting-edge packaging solution offered by Foshan Dession Packaging Machinery Co., Ltd. This high-tech machine is designed for efficiency, versatility, and precision in packaging syringes across various industries. With a focus on meeting the diverse needs of customers, the DS-350X ensures superior performance in packaging processes, ranging from material transportation and coding to sealing, cutting, and final product output. Its innovative features make it an ideal choice for applications in the food, beverage, medical, and chemical industries.

< APPLICATION SCENARIOS >

< MACHINE ADVANTAGES >

304 Stainless Steel Construction: The equipment rack's contact material is made of 304 stainless steel, ensuring compliance with food safety standards (QS).

Safety Protection: Equipped with a comprehensive safety protection

system that adheres to enterprise safety management requirements, prioritizing user safety.

Independent Temperature Control: The machine features an independent temperature control system, guaranteeing accurate temperature control for beautiful and flat sealings.

Servo Control Technology: Utilizing servo control for horizontal sealing, vertical sealing, and feeding, the machine ensures precise control, high reliability, and intelligent operation, contributing to high-speed and efficient packaging.

User-Friendly Touch Screen Interface: The touch screen interface allows the storage of various packaging process parameters for different products. This feature enables easy product transitions without the need for constant adjustments.

Fault Display System: The machinery incorporates a fault display system, facilitating timely fault resolution and reducing the reliance on manual intervention, enhancing operational efficiency.

Complete Packaging Process: From material transportation and coding to bag making, sealing, cutting, and finished product output, the machine provides an all-encompassing solution for the entire packaging process.

Customizable Bag Shapes: The machine can be configured to produce pillow-shaped bags or other customized bag shapes based on specific customer requirements.

< CUSTOMER TESTIMONIALS >

True praise and good quality are all based on customer needs

Service praise

Great job done by Foshan Dession ... I want to thank you all for this nice experience ... the next to come is the best 😊

Quality praise

Hi Christy

At the moment dont need help

we test it one time

it works

now waiting the bobbins

Quality praise

Ok. Thank you, we will inform you!!!

Thaaaaank you very much dear Alisa you are Super, perfect with your engineer 🙌🙌🙌🙌🙌. Everything is ok.

77 roses for you from heart

Quality praise

Ok thanks. Am busy installing the last machine

2021

i did the installation today, perfect machine

Service praise

My pleasure , it's happy to get your good feedback on the machine

It's good And your service is excellent Your Boss must give increase

Quality praise

成 Neel 美国单工位预制袋混合沙

Hello Joe - the machine continues to run better every day. We're hoping that all the parts do not start to break with use.

If anything breaks (like the heating bar), can you send up replacement parts?
