Product Advantages

- 1 Accuracy: The machine is equipped with high-precision load cells and digital control systems, ensuring accurate weighing and packaging of shisha tobacco.
- 2 Versatility: The machine can pack a variety of materials, including shisha tobacco paste, Arab shisha tobacco paste, and Turkey shisha tobacco paste, making it an ideal choice for manufacturers with diverse product lines.
- 3 User-friendly interface: The Vertical Shisha Tobacco Packing Machine is designed with a user-friendly interface that makes it easy to operate and monitor the packing process.
- 4 Customizable packaging: The machine can produce pouches of different sizes, ranging from 20g to 500g, and cut them into various shapes, providing flexibility for manufacturers to meet their customers'

needs.

5 CE certification: The machine has obtained CE certification, indicating that it meets the safety and quality standards set by the European Union.

6 Automatic packing: The Vertical Shisha Tobacco Packing Machine is fully automatic, which means it can weigh, fill, seal, and cut pouches without any human intervention, saving time and reducing errors.

7 Durable and low maintenance: The Vertical Shisha Tobacco Packing Machine is made of high-quality materials, which ensures its durability and reduces maintenance costs.

8 Cost-effective: By increasing production efficiency and reducing labor costs, the Vertical Shisha Tobacco Packing Machine can ultimately help manufacturers save money and increase profitability.
