Product Advantages

- 1 New design, bright appearance, more reasonable structure and more advanced technology
- 2 It can automatically complete bag making, metering, blanking, sealing, cutting, counting, and can be configured to print batch numbers according to customer requirements
- 3 Touch screen operation, PLC control
- 4 Driving stepping motor to control the bag length, stable performance, convenient adjustment and

accurate detection

4 A variety of automatic alarm protection functions are used to minimize losses

5 It occupies a small area,smart and energy saving

Product specification

Model	DS-320A
Filling Range	3~100ml
Packaging speed	30~40 bags/min
Roll film width	MAX.320mm
Machine size	1450*1050*1900mm
Machine Weight	400kg
Power Supply	1.5KW

Company profile

Foshan Dession packaging machinery Co., Ltd. is located in Nanhai District, Foshan city, China machinery center, is a collection of research and development, manufacturing, sales and after-sales service in one of the high-tech enterprises, with self-import and export rights. DE newsletter focusing on production and research and development, all kinds of bag packaging machine, filling machine, and the research and development and manufacture of automatic packaging line, with superior performance, advanced technology, easy operation, easy maintenance, safe, durable, widely used in puffed food, snack food, frozen food, agricultural and sideline products, medicine, chemical products, metal products and other fields, to meet the needs of customers.
