Application

Product Advantages

Seamless All-in-One Design: The Automatic Small Box Cartoning Machine seamlessly blends automated packaging, precision weighing, and label printing. Experience resource optimization and cost reduction with this all-encompassing solution.

Elevated Packaging Quality: This machine redefines packaging quality. Unlike manual methods, it delivers secure, aesthetically pleasing, and uniform packaging, directly impacting brand elevation and perception.

Adaptability to Varied Sizes: Thanks to its inching device, the machine effortlessly adapts to different box sizes. This dynamic feature ensures swift adjustments and accommodates diverse

packaging demands effectively.

User-Friendly Interface: Equipped with PLC control and a fault removal display device, the Automatic Small Box Cartoning Machine guarantees user-friendly operation. Its intuitive interface and error-handling capabilities minimize downtime and enhance operational ease.

Product specification

Model	DS-100S
Packing speed	30-80box/min
Quality requirements	250-350g/m(Depends on the size of the carton)
Size range	(60-220)mm * (20-125)mm * (15-60)mm (Special size can be customized
Main motor power	1.5kw
Machine size	(L)2950 * (W)1380 * (H)1800mm
Machine weight	1000kg
Power supply	220V, 50HZ

About us

Foshan Dession packaging Machinery Co., Ltd. is located in China Machinery Center----Foshan Nanhai city, only takes 30 minutes to Guangzhou and 2 hours to Shenzhen/Hongkong. Dession is a comprehensive modern company integrating research , manufacturing and sale. It is a leading manufacturer of Rotary Packaging machine, Vertical Powder/Granule/Liquid Packaging machine, Automatic Feeding Line, flowing packing machine and supporting facilities, which has successfully developed more than 80 kinds of packaging machines and related equipment and most of them has

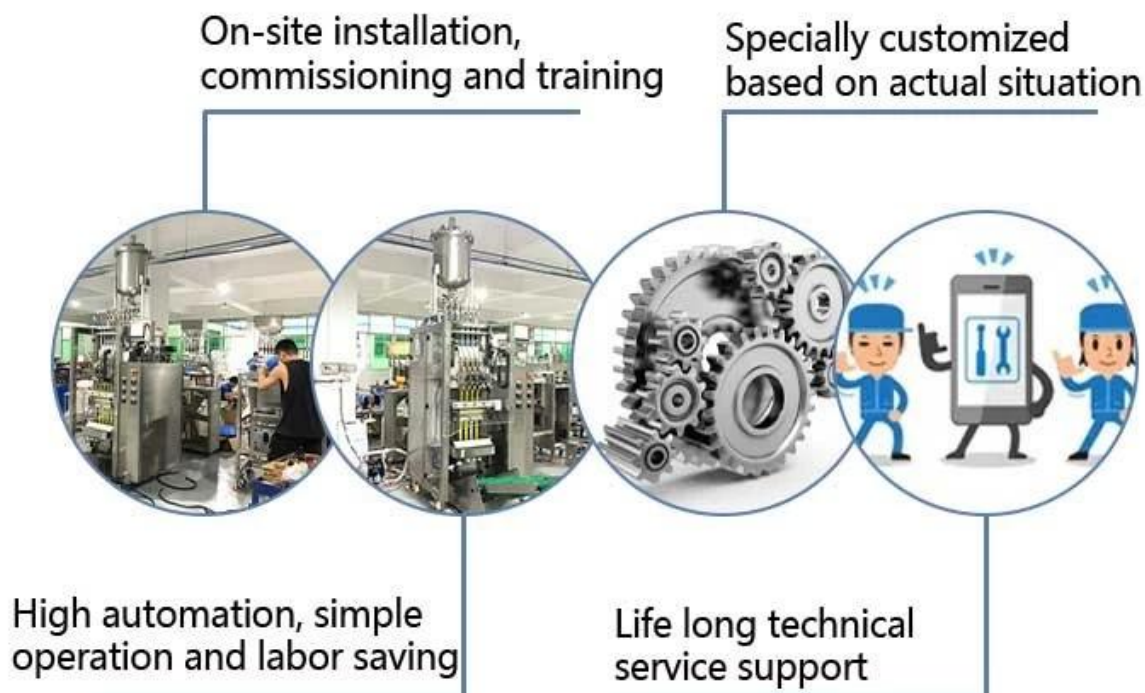

passed the CE Certification with European Standard.
