

Cutting-Edge Tablet Cartoning Machine for Efficient Packaging China Factory

德迅 **Dession**®

[Detailed Images](#)

1

Conveyor belt

Automatic operation, customizable
made according to product size

2

Vacuum suction box

Vacuum suction box, open the
box, make the empty box open

3

product push

Automatic induction, boosting the product into the box

4

folding device

It can be folded automatically no indentation when folded, and the box is complete

Customized products that
match your own

One machine meets the needs of various products, and products of different shapes can be customized

Product Advantages

1. **Innovative Integration:** Seamlessly combining light, gas, and electricity, our Tablet Cartoning Machine incorporates a PLC operating system for optimal efficiency and precision.
2. **Enhanced Productivity:** The front section of the machine can be linked to a tablet press, streamlining management, counting, and packaging processes for tablets and milk products.
3. **Stable Material Handling:** Maintain a consistent material handling speed for accurate counting and efficient packaging, contributing to higher productivity.
4. **Customizable Carton Sizes:** Flexible carton size options cater to a variety of products, ensuring a perfect fit and reducing waste.
5. **Advanced Packaging Technology:** Stay ahead with our state-of-the-art machinery, reflecting innovation in every detail and ensuring reliable performance.
6. **Effortless Efficiency:** With its intuitive design and automation, this machine significantly reduces manual intervention, saving valuable labor resources.

Product specification

Model:	DS-RY050
carton size range:	A:L80-200 * W80-160 * H15-50mm B:L80-200 * W25-80 * H15-50mm(can be customized according to product)
Paper Requirements Scope:	300 g/m2 < Best for paper:350 g/m2 <450 g/m2
Paper requirements:	The indentation of the paper box is not less than 0.4mm, with a pre folding effect
Production capacity:	40-50 box/min
Total power:	1.5 KW
Equipment dimensions:	About L3910 * W1107 * H1530mm
Machine weight:	About 1.2T

About us

Foshan Dession packaging Machinery Co., Ltd. is located in China Machinery Center----Foshan Nanhai city, only takes 30 minutes to Guangzhou and 2 hours to Shenzhen/Hongkong. Dession is a comprehensive modern company integrating research , manufacturing and sale. It is a leading manufacturer of Rotary Packaging machine, Vertical Powder/Granule/Liquid Packaging machine, Automatic Feeding Line, flowing packing machine and supporting facilities, which has successfully developed more than 80 kinds of packaging machines and related equipment and most of them has passed the CE Certification with European Standard.
