## Application

## HONEY SPOON FILLING AND PACKING MACHINE

## Product Advantages

- 1 The most fully functional small automatic machine, which takes up little space
- 2 Touch control type intelligent operation panel, PLC control system
- 3 Sealing film with independent temperature control system
- 4 The whole machine is made of stainless steel and aluminum alloy, firm and smooth, and will never fade

5 Finished products are automatically output in a row

Product specification

Model	Honey spoon liquid filling machine
Filling Range	7-15g
Spoon size	7g 10g 15g(Can be customized)
Air consumption	0.5-0.7Mpa
Packaging speed	1200-1800 Spoons/Hour
Machine Weight	650kg
Power Supply	1.2KW

Company profile

Foshan Dession packaging machinery Co., Ltd. is located in Nanhai District, Foshan city, China machinery center, is a collection of research and development, manufacturing, sales and after-sales service in one of the high-tech enterprises, with self-import and export rights. DE newsletter focusing on production and research and development, all kinds of bag packaging machine, filling machine, and the research and development and manufacture of automatic packaging line, with superior performance, advanced technology, easy operation, easy maintenance, safe, durable, widely used in puffed food, snack food, frozen food, agricultural and sideline products, medicine, chemical products, metal products and other fields, to meet the needs of customers.
