Application

Customized products that
match your own

One machine meets the needs of various products, and products of different shapes can be customized

Product Advantages

Integrated Performance: The machine seamlessly integrates light, gas, and electricity, offering a comprehensive packaging solution.

Versatile Linking: Capable of linking with filling, weighing, labeling, and other equipment, optimizing the entire packaging process.

Stability & Low Noise: With its stable packaging performance and low noise output, it ensures efficient and quiet operations.

User-Friendly PLC System: The PLC operating system enhances control and ease of use, simplifying the packaging process.

Adaptable to Industries: Suited for various industries, from food and beverage to medical and chemical, offering versatility in applications.

Product specification

Model:	DS-SNZ040
carton size range:	A: L80-200 * W80-160 * H15-50mm B: L80-200 * W25-80 * H15-50mm(can be customized according to product)
Paper Requirements Scope:	300 g/m2 ≤ Best for paper:350 g/m2 ≤ 450 g/m2
Paper requirements:	The indentation of the paper box is not less than 0.4mm, with a pre-folding effect
Production capacity:	30-40box/min
Total power:	1.5 KW
Equipment dimensions:	About L3580*W1390*H1520mm
Machine weight:	About 1.5T

Foshan Dession packaging machinery Co., Ltd. is located in Nanhai District, Foshan city, China machinery center, is a collection of research and development, manufacturing, sales and after-sales service in one of the high-tech enterprises, with self-import and export rights. DE newsletter focusing on production and research and development, all kinds of bag packaging machine, filling machine, and the research and development and manufacture of automatic packaging line
