Finished product

## Characteristic

- 1□With 2-color printing device.
- 2□When machine fails to be operated, auto stop can function to stop for operating.
- 3□Accurate automatic counting, temporary stop, zero return device.
- 4□Printing, filling and packing will be done at a time. Only one operator required for each machine.
- 5□Variable speed change for packing, and it can be adjusted freely.

<b>Model</b>	DS-26YQ
<b>Packing Speed</b>	60~600 bags/min
<b>Sealing type</b>	3 sides sealing
<b>Film Width</b>	30mm
<b>Bag size</b>	support customization
<b>Machine Power</b>	220V, 50HZ, 750W
<b>Machine Weight</b>	200KG
<b>Machine size</b>	(L)1500*(W)600*(H)1600MM

## Our positives:

Dession has a professional team to provide customers with various packaging solutions.

Fully understanding customer needs, engineers design the most appropriate solution.

We have our own processing and assembly workshop, quality inspection and debugging process to ensure the quality of the machine.

After being accepted by the customer, it is packaged in international standard wooden cases and shipped.

If customers have any questions while using the machine, we will answer them in time.

## View Certificate

**Dession strictly implements the international quality management system, measurement and testing system, standardized production system, the leading products through the European Union CE, ROHS, SGS certification and other marks, owns more than 20 approved intellectual property rights and obtained ISO 9001 certification every year.**

## Packing and Shipping

## COMPANY PROFILE

DESSION is a modern packaging equipment solution provider integrating R&D, production and sales. Since the establishment of the company, with the continuous exploration, research and application of advanced technology, the company's development has begun Scale, with an innovative team of professional and technical personnel, engineers, sales and after-sales service personnel, has successfully developed a number of series of packaging machinery and related equipment, widely it is used in food, medical supplies, hotel supplies, daily necessities, hardware accessories, cultural and sports goods, toys and other products that require flexible packaging. With advanced engineering design technology and high-quality equipment system, the equipment is out The mouth has reached the Middle East, Southeast Asia, Europe, America, South Africa and other countries and regions, and has been well received by users all over the world.

## DESSION EXHIBITION

**Now.**

Thailand Industrial Fair & Food pack asia 2019 (13-18 FEB 2019)

**2018**

The 123rd Canton Fair in Spring 2018 (April 15th- May 8th)

**2015**

The 24th Guangzhou International Food Processing Packaging Machinery And Equipment Exhibition (June 4th-6th)

**2017**

Shanghai International Exhibition Bakery China 2017/9/10

**2016**

The 25th Guangzhou International Food Processing Packaging Machinery And Equipment Exhibition (29th-July 1st)
