Customized products that match your own

One machine meets the needs of various products, and products of different shapes can be customized

Product Advantages

Advanced Integration: The machine seamlessly integrates light, gas, and electricity, providing a comprehensive solution for packaging water emulsion products.

Efficiency Enhancer: Designed for high productivity, it can package 30-40 boxes per minute, optimizing your production line's efficiency.

Flexible Compatibility: The machine can be linked with various equipment, such as filling, weighing, labeling, and more, ensuring a smooth and connected production process.

Stability and Low Noise: Benefit from stable packaging operations with minimal noise disruption,

creating a harmonious work environment.

Easy Debugging: With user-friendly controls and a PLC operating system, the machine offers easy setup and debugging, reducing downtime and enhancing productivity.

Product specification

Model:	DS-SNZ040
carton size range:	A: L80-200 * W80-160 * H15-50mm B: L80-200 * W25-80 * H15-50mm(can be customized according to product)
Paper Requirements Scope:	300 g/m2 ≤ Best for paper:350 g/m2 ≤ 450 g/m2
Paper requirements:	The indentation of the paper box is not less than 0.4mm, with a pre-folding effect
Production capacity:	30-40box/min
Total power:	1.5 KW
Equipment dimensions:	About L3580*W1390*H1520mm
Machine weight:	About 1.5T

Foshan Dession packaging machinery Co., Ltd. is located in Nanhai District, Foshan city, China machinery center, is a collection of research and development, manufacturing, sales and after-sales service in one of the high-tech enterprises, with self-import and export rights. DE newsletter focusing on production and research and development, all kinds of bag packaging machine, filling machine, and the research and development and manufacture of automatic packaging line
