Machine Characteristics

- 1 Imported PLC full computer control system, color touch screen, easy to operate, intuitive and efficient.
- 2 Imported servo film transport system, imported color code sensor, accurate positioning, excellent overall performance and beautiful packaging.
- 3 A variety of automatic alarm protection functions to minimize loss.
- 4 Flat cutting, pattern cutting, linking cutting can be realized by changing the tools; easy operation with smooth bags.
- 5 Bag-making equipment can be changed

according to specific requirement of customers and products.

6□Optional English or other languages screen display, easy and simple operation.

Both packaging speed and bag length can be set with one click.

7□All machines have CE certification and ROSH certificate.

Our advantages:

Dession has a professional team to provide customers with various packaging solutions.

Fully understanding the needs of customers,engineers design the most suitable solution.

We have our own processing and assembly workshop and quality inspection and debugging process to ensure the quality of the machine.

After acceptance by the customer, they are packed in international standard woodencases and shipped.

If customers have any questions during the use of the machine, we will answer them in time.
