Application

Potato chip

Popcorn

Nuts

Coffee

Candy

Small hardware

Product Advantages

- 1 New design,bright appearance, more reasonable structure and more advanced technology
- 2 It can automatically complete bag making, metering, blanking, sealing,cutting,counting,and can be configured to print batch numbers according to customer requirements
- 3 Touch screen operation,PLCcontrol
- 4 Driving stepping motorto controlthe bag length, stable performance,convenient adjustment and accurate detection
- 4 A variety of automatic alarm protection functions are used to minimize losses
- 5 It occupies a small area,smart and energy saving

Product specification

Model	DS-420AZ
Filling Range	150~1500ml
Packaging speed	5~60 bags/min
Roll film width	MAX.420mm
Machine size	1217*1015*1343mm
Machine Weight	650kg
Power Supply	2.2KW

Company profile

Foshan Dession packaging machinery Co., Ltd. is located in Nanhai District, Foshan city, China machinery center, is a collection of research and development, manufacturing, sales and after-sales service in one of the high-tech enterprises, with self-import and export rights. DE newsletter focusing on production and research and development, all kinds of bag packaging machine, filling machine, and the research and development and manufacture of automatic packaging line, with superior performance, advanced technology, easy operation, easy maintenance, safe, durable, widely used in puffed food, snack food, frozen food, agricultural and sideline products, medicine, chemical products, metal products and other fields, to meet the needs of customers.
