Product Advantages

- 1 can automatically complete bag-making, measuring, blanking, sealing, cutting, and counting. and printing batch numbers according to customer requirements.
- 2 Color touch screen operation, PLC control, easy to operate, intuitive, and efficient.
- 3 Drive step motor control bag length, stable performance, easy adjustment, accurate detection.
- 4 intelligent temperature controller and PID control ensure the temperature error range within 1°C Adopt a variety of automatic alarm functions, minimizing the loss.

Product specification

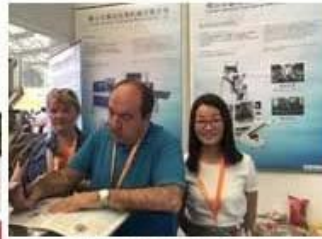

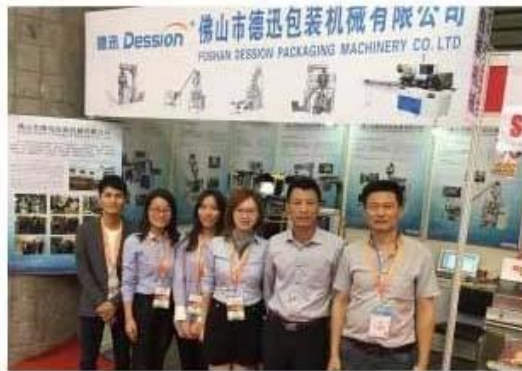

Model	DS-320C
Measuring Range	20-200ml
Packing Size	L:40-200mm W:50-150mm
Packing Speed	10-60 bags/min
Machine Size	(L)1100 * (W)755 * (H)1540
Machine Weight	350kg
Power	220V, 50/60HZ, 1.2KVA

Company profile

Foshan Dession packaging machinery Co., Ltd. is located in Nanhai District, Foshan city, China machinery center, is a collection of research and development, manufacturing, sales and after-sales service in one of the high-tech enterprises, with self-import and export rights. DE newsletter focusing on production and research and development, all kinds of bag packaging machine, filling machine, and the research and development and manufacture of automatic packaging line, with superior performance, advanced technology, easy operation, easy maintenance, safe, durable, widely used in puffed food, snack food, frozen food, agricultural and sideline products, medicine, chemical products, metal products and other fields, to meet the needs of customers.
