Salt

Product Advantages

- 1 Chinese-English-Russian PLC control system,only need to set the parameters on the touch screen(bag length and so on).The system automatic control and achieve the best packaging speed.
- 2 stainless steel body
- 3 The dual-light source photoelectric detection system is stable and reliable,ensuring the integrity of the packaging bag's trademark.
- 4 The system automatic control and achieve the best packaging speed
- 5 Intelligent temperature controller control.Automatically complete all tasks such as measurement,bag making,filing, sealing, batch number printing, cutting and counting
- 6 It adopts three-side sealing and double-sided heating or four-side sealing and heat sealing mode
- 7 Energy saving and electricity saving, high work efficiency,high production efficiency 80-100 packs/min

Product specification

Model	DS-200A
-------	---------

Filling Range	2~10ml
Bucket Capacity	L:30~150mmW:23~105mm
Measurement	Volumetric cup filler
Machine Size:	(L)925*(W)750*(H)1650mm
Machine Weight	230kg
Power Supply	1KW

Company profile

Foshan Dession packaging machinery Co., Ltd. is located in Nanhai District, Foshan city, China machinery center, is a collection of research and development, manufacturing, sales and after-sales service in one of the high-tech enterprises, with self-import and export rights. DE newsletter focusing on production and research and development, all kinds of bag packaging machine, filling machine, and the research and development and manufacture of automatic packaging line, with superior performance, advanced technology, easy operation, easy maintenance, safe, durable, widely used in puffed food, snack food, frozen food, agricultural and sideline products, medicine, chemical products, metal products and other fields, to meet the needs of customers.
