< MACHINE ADVANTAGES >

1. **Fully Automatic Control**: Our equipment features a state-of-the-art thermostatic electric control box, ensuring precise and hassle-free honey processing.
2. **Food-Grade Materials**: All components are crafted from food-grade

materials, specifically SUS304 polished sanitary tubes, guaranteeing the highest levels of hygiene and safety.

3. **High Efficiency**: With the ability to process 3,000-4,000kg of honey per day, this system is tailored for high-volume production, saving you time and effort.

4. **Mass Production Ready**: You can rely on us for quick shipping, thanks to our capability for mass production, ensuring your honey processing needs are met promptly.

5. **Customization**: Our standard 300L capacity can be customized to fit your specific requirements, providing flexibility to adapt to different production scales.

< CUSTOMER TESTIMONIALS >

True praise and good quality are all based on customer needs

Service praise

Great job done by Foshan Dession ... I want to thank you all for this nice experience ... the next to come is the best 😊

Quality praise

Hi Christy

At the moment dont need help

we test it one time

it works

now waiting the bobbins

Quality praise

Ok. Thank you, we will inform you!!!

Thaaaaank you very much dear Alisa you are Super, perfect with your engineer 🙌🙌🙌🙌🙌. Everything is ok.

77 roses for you from heart

Quality praise

Ok thanks. Am busy installing the last machine

2021

i did the installation today, perfect machine

Service praise

My pleasure , it's happy to get your good feedback on the machine

It's good And your service is excellent Your Boss must give increase

Quality praise

成 Neel 美国单工位预制袋混合沙

Hello Joe - the machine continues to run better every day. We're hoping that all the parts do not start to break with use.

If anything breaks (like the heating bar), can you send up replacement parts?
