

High-speed Facial mask counting and cartoning machine China supplier

德迅 *Dession*®

[Detailed Images](#)

Conveyor belt

Smart points, when the specified number is reached, it will move forward, and the conveyor belt will run automatically

Vacuum suction box

Vacuum suction box, open the box, make the empty box open

Product push

Automatic induction, boosting the product into the box

Folding device

It can be folded automatically no indentation when folded, and the box is complete

Product Advantages

1. **Enhanced Efficiency:** The DS-DS050 machine streamlines the packaging process for facial masks, masks, and cosmetics. Its PLC operation system and integrated light, gas, and electricity components contribute to significantly higher packaging efficiency.
2. **Versatile Carton Sizes:** This machine accommodates varying carton sizes, offering flexibility in packaging. From A-sized cartons (L80-200*W80-160*H15-50mm) to B-sized cartons (L80-200*W25-80*H15-50mm), it caters to diverse product dimensions.
3. **Premium Paper Handling:** With a paper requirement scope of 300 g/m² to 450 g/m² and a pre-folding effect, the DS-DS050 ensures impeccable paper handling. It maintains the integrity of the

carton structure and appearance.

4. High Production Capacity: Operating at a remarkable pace, the machine achieves a production capacity of 50-60 boxes per minute. This high throughput capability minimizes production bottlenecks and maximizes output.

5. User-Focused Design: The machine's user-friendly design enhances its appeal. From its attractive appearance to its intuitive interface, the DS-DS050 is engineered to provide convenience and ease.

Product specification

Model:	DS-DS050
carton size range:	A:L80-200*W80-160*H15-50mm B:L80-200*W25-80*H15-50mm(can be customized according to product)
Paper Requirements Scope:	300 g/m2 < Best for paper:350 g/m2 <450 g/m2
Paper requirements:	The indentation of the paper box is not less than 0.4mm, with a pre folding effect
Production capacity:	50-60 box/min
Total power:	1.5 KW
Equipment dimensions:	About L3000*W1400* H1600mm
Machine weight:	About 1T

Company profile

Foshan Dession packaging Machinery Co., Ltd. is located in China Machinery Center---Foshan Nanhai city, only takes 30 minutes to Guangzhou and 2 hours to Shenzhen/Hongkong. Dession is a comprehensive modern company integrating research , manufacturing and sale. It is a leading manufacturer of Rotary Packaging machine, Vertical Powder/Granule/Liquid Packaging machine,

Automatic Feeding Line, flowing packing machine and supporting facilities, which has successfully developed more than 80 kinds of packaging machines and related equipment and most of them has passed the CE Certification with European Standard.

AFTER-SALES SERVICE

1. With professional after-sales service team, we can provide you with a satisfied and technical service no matter which country you are in;
2. Any videos of packing machine installation, adjusting, setting, maintenance are available for any buyer;
3. If you got any problem when using the machine and the videos can not help, our technician will have video chatting with you to fix your problem;

(Notice: In order to save your cost, we offer various video chatting service for you, but if you insist on the service oversea, the travel expense and technician cost will paid by you.)

OUR ADVANTAGE

On-site installation,
commissioning and training

High automation, simple
operation and labor saving

High automation, simple
operation and labor saving

Life long technical
service support

Dession has a professional team to provide customers with various packaging solutions. Fully understanding the needs of customers, engineers design the most suitable solution. We have our own processing and assembly workshop and quality inspection and debugging process to ensure the quality of the machine. After acceptance by the customer, they are packed in international standard woodencases and shipped. If customers have any questions during the use of the machine, we will answer them in time.

PACKAGING SHIPPING

Upon receipt of payment , delivery date will be in 15-30 working days, By Air, by Sea or by Express (DHL etc)
