## < MACHINE ADVANTAGES >

1□Anti-dripping Design: The filling head prevents dripping, ensuring

quick and clean filling.

2 **High-Quality Materials:** Constructed with 304# and 316# stainless steel and food-grade PP for enhanced durability and hygiene.

3 **Innovative Electric System:** The pure electric split modular unit structure resolves issues associated with traditional pneumatic systems, ensuring stability and easy maintenance.

4 **User-Friendly Operation:** Intelligently adjusted through a touch screen, enabling quick adjustments and easy control.

5 **Fast and Low-Noise Filling:** Achieves high-speed filling with minimal noise, accommodating various liquids efficiently.

DETAIL

## Filling nozzle

Made of food-grade stainless steel material, not afraid of rust, long service life, anti-drawing design, filling speed without dripping.

## Operation panel

Using a touch-screen microcomputer control system, manual touch can be used to issue operating instructions to the machine, enabling simple and convenient operation.

## Pneumatic hand slide valve

The simple design makes it easier to adjust the air pressure, and it can be closed and opened by sliding left and right.

## PLC control system

The control system and electrical components are arranged neatly and concisely, which not only makes the operation of the machine easy, but also facilitates temperature control and heat dissipation of the chassis.

# < CUSTOMER TESTIMONIALS >

True praise and good quality are all based on customer needs

Great job done by Foshan Dession ... I want to thank you all for this nice experience ... the next to come is the best

Ok. Thank you, we will inform you!!!

Thaaaaank you very much dear Alisa you are Super, perfect with your engineer. Everything is ok.

77 roses for you from heart

Ok thanks. Am busy installing the last machine

i did the installation today, perfect machine

Hello Joe - the machine continues to run better every day. We're hoping that all the parts do not start to break with use.

If anything breaks (like the heating bar), can you send up replacement parts?

Hi Christy

At the moment dont need help we test it one time

it works

now waiting the bobbins

Okay good luck

All the best

Thank you

First you use the machine and any thing you need you can ask me

Thanks

My pleasure , it's happy to get your good feedback on the machine

It's good And your service is excellent Your Boss must give increase
