(Notice: In order to save your cost, we offer various video chatting service for you, but if you insist on
the service oversea, the travel expense and technician cost will paid by you.)

About Our Price

Foshan Dession Packaging Machinery Co., Ltd mainly manufactures pillow packaging machines and vertical automatic packaging machines.

The prices of equipments vary from the type of machines (type is up to the size and property of customer’s product.) and customer's specific requirements for the machine (complete or partial stainless steel of the equipment).

Besides, based on the packaging machine’s brand of essential component, price will be different among China, Japan and German.

Finally, the prices of standard and non-standard machines are also different. The standard machine is generally a fixed price but the non-standard one is based on specific requirements such as the way of delivery, the form of measurement, the demand of inflating and deflating, the style of making a bag, the way of punching as well as coding and etc.
