

Tablet Cartoning Machine - Efficient Packaging Solution with Accurate Counting and Linkable Tablet Press Compatibility

德迅 *Dession*[®]

[Detailed Images](#)

1

Box forming device

Envelope shape holder, can be customized, according to the size requirements to customize the desired shape

2

Box placement

With adjustment function, adjust and customize according to needs

3

Vacuum suction device

Electric eye induction, vacuum adsorption

4

Sealing, spray glue

Automatic ear folding, box sealing, glue spraying

Customized products that
match your own

One machine meets the needs of various products, and products of different shapes can be customized

Product Advantages

Efficient Integration: The Tablet Cartoning Machine seamlessly integrates light, gas, and electricity into a single system, optimizing packaging operations for tablets and milk products.

Accurate Counting: Benefit from precise tablet counting, ensuring each package contains the correct quantity, thus minimizing errors and improving overall product quality.

Streamlined Linking: The machine's compatibility with tablet presses allows for seamless linking, enhancing material handling, counting, and packaging efficiency, resulting in labor and time savings.

User-Friendly PLC System: The machine features a PLC operating system that ensures easy control, operation, and monitoring of the packaging process, reducing the learning curve for operators.

Versatile Applications: Designed for versatility, the machine is suitable for a range of industries, from pharmaceuticals to dairy, providing a solution that meets diverse packaging needs.

Product specification

Model:	DS-RY050
carton size range:	A:L80-200 * W80-160 * H15-50mm B:L80-200 * W25-80 * H15-50mm(can be customized according to product)
Paper Requirements Scope:	300 g/m ² < Best for paper:350 g/m ² <450 g/m ²
Paper requirements:	The indentation of the paper box is not less than 0.4mm, with a pre folding effect
Production capacity:	40-50 box/min
Total power:	1.5 KW
Equipment dimensions:	About L3910 * W1107 * H1530mm
Machine weight:	About 1.2T

Company profile

Foshan Dession packaging machinery Co., Ltd. is located in Nanhai District, Foshan city, China machinery center, is a collection of research and development, manufacturing, sales and after-sales service in one of the high-tech enterprises, with self-import and export rights. DE newsletter focusing on production and research and development, all kinds of bag packaging machine, filling machine, and the research and development and manufacture of automatic packaging line, with superior performance, advanced technology, easy operation, easy maintenance, safe, durable, widely used in puffed food, snack food, frozen food, agricultural and sideline products, medicine, chemical products, metal products and other fields, to meet the needs of customers.
