

Nut bolt screw nail counting packing machine with counting system

Plate metering

Precise Skid Trail

Touch screen

seal&cutting

Specification:

Counting and packing speed for different hardware:

Material counting speed(pcs/min)

screws 200-1000

nuts 400-1000

washers/fasteners 200-500

Nails 200-1000

buttons 300-600

tablets

300-600

Model:DS-320LS

Packing Speed:30-70bags/min

Filling Range:1-10 units/plate

Bag Size: Length:50-180mm Width:50-160mm

Bag Type:pillow bag,3/4 sided sealing bag

Power:220V,50HZ,1.2KVA

Machine Size:(L)1200*(W)680*(H)1650mm

Machine Details:

vibration disk

hardware screws/nuts/bolts nails/fastener,
counting package solution

Function and Characteristics:

1	1.The vibration disk,linear vibration collating unit and precise counting control unit are customized according to the screw samples,ensuring that each bag is accurate.
2	Adopts PLC control,and there is human machine operation interface,so it is convenient to operate and adust the equipment,and the degree of automation is high.
3	Intelligent temperature controller is adopted to control the horizontal and longitudinal sealing temperature,which can realize firm sealing,good tightness,flat and beautiful bag type,the packing effiency is high.
4	Stepping motor subdivisopn technology adopt for the bag making system,the color code of packaging bag is automatically tracked and positioned.
5	The packing speed is subject to stepless adjustment when the nominal range,positioning for the open and stop.
6	The machine completes the whole procedure of filling,bagging,date printing,charging(exhausting) automatic.
7	Optional device:Linked-bags device,date printer device,punching hole device,gas filling device.etc

Application:

Suitable for screws nuts bolts nails washers/fasteners tablets buttons,small hardwares particles counting and package.

Packing Machine Bag Types

- 1: Standard Pillow Bag
- 2: Pillow Bag With Hole Punch / Euro Slot
- 3: Pillow Bag With Gusseted

Packaging & Shipping:

Firstly Wrap Modules With Plastic Film ,Then Packing Modules into Plywood Cases(Fumigation free).

Upon receipt of payment , delivery date will be in 10-35days,
By Train, by Sea or by Express (DHL,Fedex etc)

Shipment cost will depend on the destination, shipment way and the weight of

the goods.

Why Choose us

Dession Core Advantages

1. 100% factory supply-----88 workers, 10000 m2 non-dust workshop;
2. Strategic Location-----China Machine industry center--Foshan Nanhai city, 2.5 hours to HK, 40 minutes to Guangzhou Airport, near Shenzhen/Guangzhou/Foshan seaport;
3. Supply various types of packaging machine and supporting facilities. Helping specialized customers with marketing, offering OEM services and customized machine designs.

ADVANTAGES

Advantaged technology

High quality material

Accurate maching

Tight quality control

7-24 Hours services

FACTORY SHOW

Cooperating with different manufacturers and research centers, we provide high-quality packaging machinery for food, medical, daily necessities, hardware, industrial products, chemicals, sports goods and other materials packaging. We have a group of experienced experts and outstanding engineers who do provide the professional service delivery and installation. Based on the clients specific requirement, we also design and produce the machines to order. We have through the years established good working relationship with some reputable organizations both at home and abroad with outstanding goodwill.

EQUIPMENT

Dession packaging machine has covered more than 30 countries such as British, France, Russia, Iraq, America, Malaysia, South-Africa, Singapore, Canada, Australia, Algeria, India, Thailand and so on and appraised by them.
