left, perfect folding

3

## conveyor belt

Neatly transport products into boxes

4

## Finished product transportation

The finished product comes out here, the whole process is simple but rigorous

# Contact us

## Application

Customized products that  
match your own

One machine meets the needs of various products, and products of different shapes can be customized

## Product Advantages

**1. Unparalleled Integration:** The Hexagonal Cartoning Machine seamlessly integrates light, gas, and electricity functionalities, all controlled by a user-friendly PLC operating system. This ensures precise and efficient operations, eliminating guesswork from your packaging process.

**2. Tablet Press Compatibility:** Connect the front section of the machine to a tablet press for enhanced management, accurate counting, and efficient packaging of tablets and dairy products. This integration saves time, improves accuracy, and boosts overall productivity.

**3. Steady Speed, Accurate Counting:** With a stable material handling speed and accurate counting mechanism, you can consistently deliver perfectly packaged products. Say goodbye to inconsistencies and hello to satisfied customers.

**4. Customizable Carton Sizes:** The Hexagonal Cartoning Machine offers flexibility with customizable carton sizes. Whether you're packaging larger items or compact products, this machine can be adjusted to fit your unique needs.

**5. Premium Build Quality:** Crafted with precision, this machine boasts superior build quality. From the robust structure to the advanced technology, it's designed to ensure durability, reliability, and longevity.

**6. Time and Labor Savings:** By automating the packaging process, this machine significantly reduces the need for manual labor. This means you can redirect your resources toward other critical aspects of your business, boosting overall efficiency.

**7. High-Quality Packaging:** Impress your customers with perfectly folded and precisely packaged products. The Hexagonal Cartoning Machine maintains the integrity of your items, enhancing the unboxing experience and brand perception.
